LITTLE YELLOW BOOK
FOR FUNDRAISING

WHAT'S NEXT?

Add some zest,
win a prize.

We as a team are about to embark on a FUNdraising adventure. There are facts, tips and super duper ideas designed to inspire and energize you.

As each person has a personal goal of around 1600, each group needs to raise about 8000 and as a whole team, our aim is to raise about 80.000 euros.

FUNdraising will include things you do individually, with your FUNdraising team and with InSite as a whole. Consider which of these ideas are best suited for a team or done individually.

InSite, as a whole, will host a FUNdraising dinner on 21 November 2014. We have also created a babysitting club, which you can join, and we will help you send out FUNdraising letters.

Categories for awards:

1. **Why didn't I think of that?** The most creative idea in raising money - You or your team has come up with something none of us had ever thought of and you executed it and raised money (so the cost was less than what it brought it).
2. **Getting Sweaty** - You or your team raise funds using sports. The individual or team who has the most sponsors wins. (The team's average number of sponsors)
3. **You've been Served!** - You or your team can win this award by having the most hours in serving others. (The average number of hours in your team) or the total hours of one individual on a team.
4. **Show me the Money!** The individual that raises the most funds overall.
5. **The Mostest.** The Team who raises all their funds collectively first.

Prizes: The prizes range from InSite hoodies, movie gift cards, free tourist attractions in SA and other cool surprises. Seriously awesome.

COLLECTING MONEY

How Do I receive donations?

1. Ammodo Profile- this is an online third party platform. You will create a profile if you are fundraising outside NL. There are admin. fees with this option which will need to be factored in to your fundraising efforts. they charge about 10% with each donation.
2. Bank Transfer: Stichting Reckoning is the foundation that sponsors InSite. Reckoning has ANBI status for contributors in NL. Here is the bank information:

Account: 89 37 02 781.
 IBAN: NL11ABNA0893702781
 BIC: ABNANL2A

Each of you will receive an ID number for accounting purposes. All in country donations should be direct transfers as this will save you admin costs. You may not, at any time have InSite cash in your possession. If you do fundraising where you are collecting cash, your InSite team leader should be given the money for a cash deposit.

Group fundraising: If more than one InSite team member is working together, the funds raised will be divided equally. Again, your fundraising team adult leader will oversee and collect the funds for deposit.

Remember everyone is fundraising at least 30% or €500 and this all much be done by 15 December!

KEEP IT LEGAL, KEEP IT SAFE

We really want everyone to have a blast with this aspect of InSite, working together, inspiring others and not getting arrested or hurt. To put our minds at rest and to keep you from breaking any laws accidentally, please read the following.

It's all about common sense: right? If you are using equipment for your event, or party, please follow all instructions and legal requirements carefully.

Here is the formal bit: Reckoning cannot accept liability for any loss, damage or injury suffered by you or anyone else as a result of taking part in a fundraising event.

When handling food: Handle food the way you want others to handle the food you eat, especially if you are serving it as a way to raise funds. Please take great care and work to basic rules for safe preparation, storage, display and cooking.

If you are not sure about the rules and laws regarding an event or idea, ask your InSite leader- they are there to help.
